ABOUT US Akshar Packaging

We specialize in flexible packaging solutions that cater to a wide range of industries. Our commitment to quality and innovation sets us apart in the packaging landscape. We understand the unique needs of our clients and strive to provide packaging that not only protects products but also enhances their market appeal.

Our founder has a deep-rooted passion for the packaging industry, having started his career by operating machines himself. This hands-on experience has given him invaluable insights into the production process and the importance of quality at every stage. His practical knowledge drives our operations, ensuring that we maintain the highest standards in flexible packaging.

We believe that our success is built on the foundation of expertise, dedication, and a customer-centric approach. At **Akshar Packaging**, we are committed to delivering solutions that meet the evolving needs of our clients while maintaining a focus on sustainability and efficiency.

Mr. Devanand S. Karangia

OUR PRODUCTS

AKSHAR PACKAGING

"Executing Excellence in Packaging"

LD Bags

Our Low-Density Polyethylene (LD) bags are lightweight, flexible, and ideal for a variety of applications, from retail to food packaging. They offer excellent durability and are available in various sizes and thicknesses.

HM Bags

High-Density Polyethylene (HM) bags are known for their strength and resistance to punctures. Perfect for heavier items, these bags are a reliable choice for both industrial and consumer use.

PP Bags

Our Polypropylene (PP) bags are versatile and can be customized with printing options to enhance your brand visibility. They are perfect for packaging products that require a strong, transparent solution.

Printed Bags & Rolls

We offer custom printed bags and rolls that allow you to showcase your brand effectively. Our advanced printing technology ensures vibrant colors and high-quality finishes that attract customers.

OUR PRODUCTS

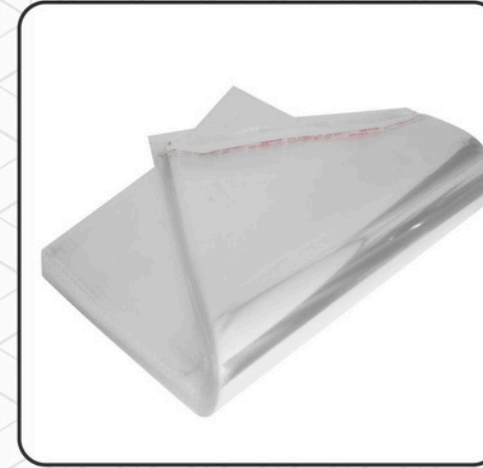

AKSHAR PACKAGING

"Executing Excellence in Packaging"

Garbage Bags

We specialize in high-quality garbage bags available in various sizes. Our bags are designed for durability and strength, making them perfect for both household and industrial use

BOPP Bags

Our BOPP bags, available with or without flap tape, are ideal for packaging a wide range of products. They offer excellent clarity and printability, ensuring your branding is showcased beautifully.

Multilayer LD Milk/Ghee Printed Rolls

We provide multilayer printed rolls specifically for milk and ghee packaging. These rolls come in standard sizes and are designed to maintain product freshness while enhancing shelf appeal

Catering Rolls/Bags

LD sheet rolls used in the food catering business are a great choice for covering food tables. These rolls provide a clean and hygienic surface while also allowing catering companies to showcase their branding. The LD sheets can be printed with the catering company's logo and design, enhancing the visual appeal of the setup and promoting brand recognition

Premium multi-layer laminated packaging designed for high durability, barrier protection, and extended shelf life. Available in various formats, including:

3 Side Seal Pouch

Centre Seal Pouch

Stand-up Pouch

With Zipper Option

Perfect for food, pharmaceuticals, cosmetics, and FMCG products, with customizable printing and material combinations for branding and functionality.

Courier Bags

Secure and durable tamper-proof plastic mailing bags designed for e-commerce, logistics, and document shipping. Made from high-quality LDPE, these bags come with a self-adhesive seal for protection against tampering. Available in custom sizes and thicknesses, they ensure safe and efficient delivery.

BOPP Knurling Bags with Customized Printing

Designed for premium branding and retail packaging, these BOPP knurling bags feature customizable printed headers for a professional and eye-catching look. With high-quality knurled texture, moisture resistance, and vibrant printing, they ensure strong brand visibility and enhanced product appeal. Available in custom sizes, designs, and thicknesses to meet diverse packaging needs.

Zipper LD Bags (Plain or Printed)

Durable and reusable LDPE zipper bags, available in plain or custom-printed options. These high-quality, moisture-resistant bags are ideal for food storage, pharmaceuticals,

PP Bags Plain/Printed for Bread & FMCG Products

High-quality Polypropylene (PP) bags designed for bread, bakery items, and FMCG packaging. These transparent, food-grade bags offer excellent moisture resistance, clarity, and durability, ensuring product freshness and visibility. Available in various sizes, plain or custom-printed designs, they are ideal for automated and manual packaging.

WHY CHOOSE US

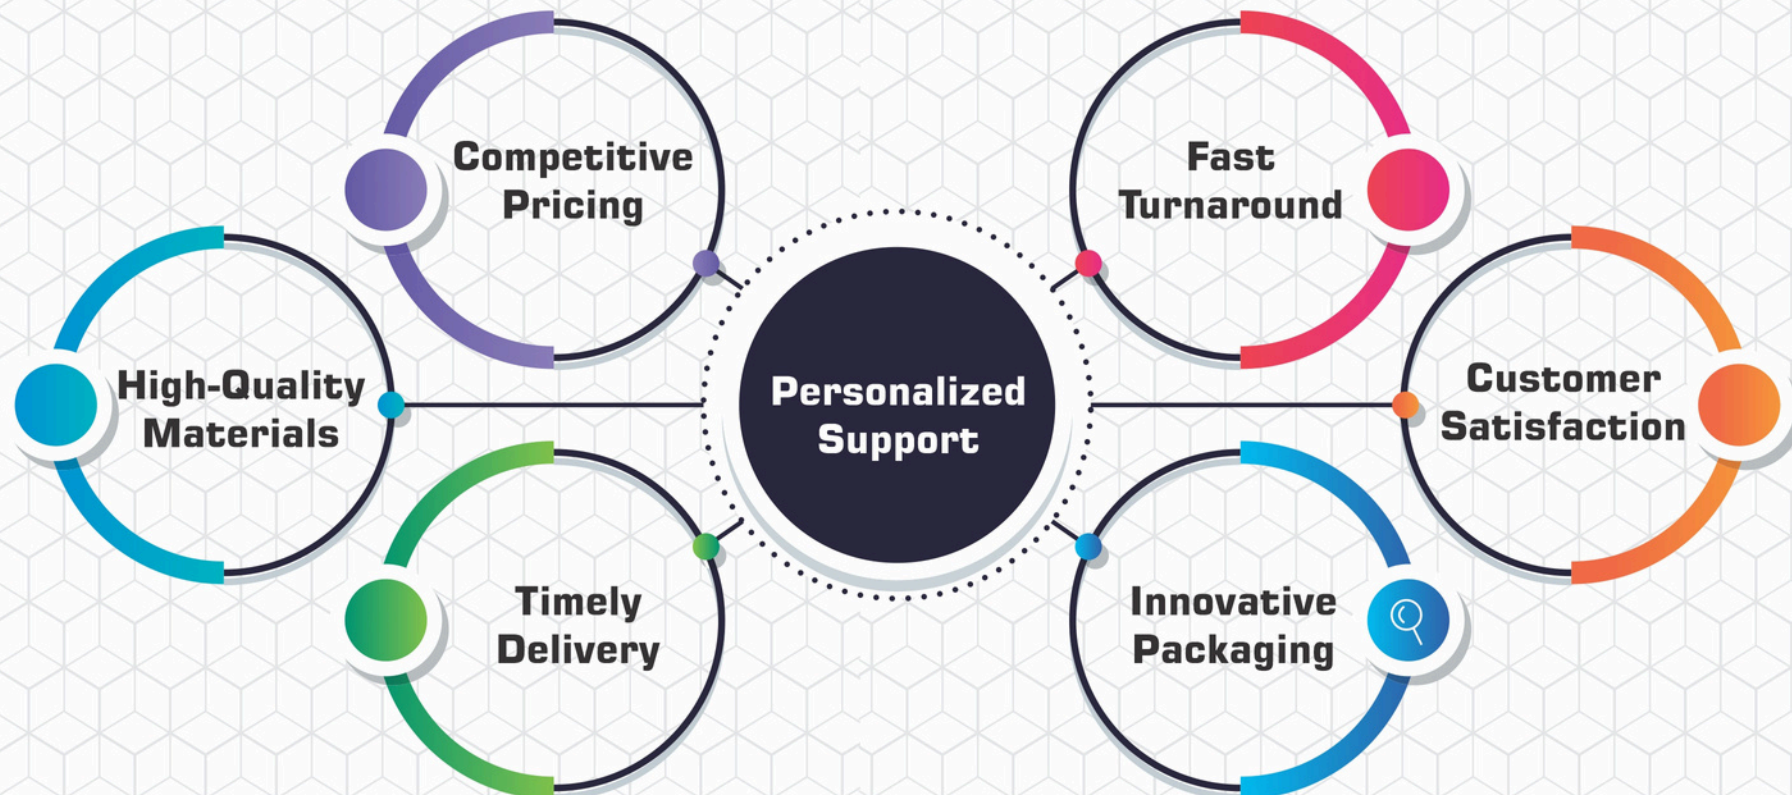

AKSHAR PACKAGING

"Executing Excellence in Packaging"

Choosing **Akshar Packaging** means opting for quality and reliability. Our commitment to using top-grade materials, combined with competitive pricing and fast turnaround times, sets us apart in the industry. But don't just take our word for it—our satisfied customers speak volumes about our dedication to excellence.

At **Akshar Packaging**, we pride ourselves on being a quality-conscious company dedicated to delivering exceptional flexible packaging solutions. Our focus on product innovation ensures that we stay ahead of industry trends, providing our clients with cutting-edge packaging options that enhance their products. We understand the importance of cost-effectiveness in today's competitive market, which is why we strive to offer solutions that fit within your budget without compromising on quality. Our commitment to timely delivery means you can rely on us to meet your deadlines, ensuring that your products are packaged and ready when you need them. Our service-oriented approach puts our clients first, providing personalized support and guidance throughout the entire packaging process. Additionally, we guarantee an uninterrupted supply of packaging materials, allowing you to maintain smooth operations without any disruptions. Choose AKSHAR Packaging for a partnership that prioritizes quality, innovation, and exceptional service.

INDUSTRY APPLICATION

AKSHAR PACKAGING

"Executing Excellence in Packaging"

At Akshar Packaging, we specialize in high-quality, innovative, and industry-specific flexible packaging solutions designed to enhance product safety, durability, and brand visibility. Our expertise in advanced technology, superior materials, and customer-focused solutions ensures that we meet the ever-evolving needs of various industries, providing packaging that is not only functional but also visually appealing and eco-friendly

At Akshar Packaging, we go beyond packaging—we create solutions that add value to your products and strengthen your brand identity. Trust us for innovation, reliability, and excellence in every package!

Raw Materials & Consumables

We source only the finest raw materials and consumables to ensure our products meet the highest standards of quality and safety. Our suppliers are carefully selected based on their reliability and adherence to industry standards.

Bag Making & Packaging for Dispatch

Our bag-making process is designed to ensure that every product is manufactured to precise specifications, followed by careful packaging for dispatch. We prioritize efficiency and accuracy in our operations to ensure timely delivery.

Flexo or ROTO

Printing: We employ advanced flexo and ROTO printing technologies to ensure vibrant, high-quality prints on our packaging. This allows us to create eye-catching designs that effectively communicate our clients' branding.

Film or Tubing

We utilize high-quality films and tubing that provide durability and flexibility, ensuring that our packaging solutions not only protect the contents but also enhance their presentation.

Inks & Solvent

Our inks and solvents are chosen for their quality and safety, ensuring that they are suitable for food contact and other applications. We adhere to strict environmental regulations to minimize any impact on health and safety.

Akshar Packaging

We continuously strive for improvement and innovation in our processes to meet and exceed customer expectations. Our commitment to quality is reflected in every product we deliver.
